

Resource Card (List of Resources): Please Print

The second page of this document includes a printable Resource Card page (including 2 resource cards).

This list of resources should be printed on a color copier or printer. It can be printed easily on an 8.5x11 (letter-sized), white or light-colored card stock. After printing, it should be cut in half to make two cards at 5.5 x 8.5 inches in size.

Please place one card in every KidsLink Card Kit.

Thanks!

MOPS stands for Mothers of Preschoolers. MOPS International exists to meet the needs of every mom. MOPS helps moms through relationships established in the context of local groups that provide a caring atmosphere for today's mother of young children.

MOPS also encourages and supports moms through books, magazines and emails.

What is Military MOPS? In order to attain this vision for moms who are either in the military themselves, or have a spouse in the military, MOPS International has developed the Military MOPS program. A Military MOPS group is chartered, or sponsored, by a base chapel, either domestic or international. Because of the unique situations that Military MOPS groups face by being on a military base, MOPS International has designed this program with a great deal of flexibility.

Military MOPS groups usually meet once or twice a month and often provide childcare through the MOPPETS program. The meetings vary in length but typically include time for developing relationships through teaching, discussion groups, creative activities and fellowship time over a shared meal or snack.
